**Discussion on Small Savings and Micro Entrepreneurship:**

Benudhar Kalita, HoD of Economics Department welcomed the resource person and Explained the purpose of the lecturer program and shared few words on importance of small savings to build a Micro Entrepreneurship. Chairperson Mrs. Durga Kalita requested resource person, Mr. U. B. Goswami to deliver his lecturer on Topic that is already fixed.

Accordingly, Mr. Goswami expressed his happiness because of the presence of teachers and huge numbers of students in program. In his lecturer he stressed on small savings and elaborated its importance and explained how a small savings can be transformed to a huge savings and this can be the root of Micro Entrepreneurship. He even encourage the students by offering all sorts of support from his part. Mr. Goswami asked the student to create a habit of savings at least a minimum amount from their pocket money from that very day, if not done yet. All the students supported him with great enthusiasm.

After that Chairperson Mrs. D. Kalita thank the resource person for his beautiful presentation and delivered few words on relevance of the Topic. Then she asked Mr. Sushil Barman, Asstt. Prof. Economics Department to offer Vote of Thanks.

Accordingly, offering vote of thanks Mr. Barman thanked the resource person for giving his valuable time and requested him to cooperate for the greater interest of the students. He also thanked the teachers and the students for their presents.
